THE TALE OF CULHWCH AND OLWEN

Long ago in Wales, there lived a young prince named Culhwch. He dreamed of happiness and wished to meet Olwen, the daughter of a giant.

Culhwch asked his cousin King Arthur for help. Arthur sent him on a journey with brave friends.

They reached the giant Ysbaddaden, who set many hard tasks. By working together, Culhwch and his friends completed them all.

At last, Culhwch married Olwen, and there was a joyful celebration.
